â??While humble by nature, Sen. Sher was a towering environmental figure, authoring landmark laws including the California Clean Air Act and the Safe Drinking Water Act. He was the first California lawmaker to use the words â??global warmingâ?• in legislation. His legacy includes protecting the air we breathe, the water we drink and the natural resources we all cherish. He will be deeply missed.â?• Read the press release. (9/15/26)
