Training Description:

Assembly Bill 1429 of 2019 (Chaptered by Secretary of State - Chapter 66, Statutes of 2019) changed the HMBP reporting period from annually to once every three years for businesses not subject to EPCRA Tier II reporting requirements or the Aboveground Petroleum Storage Act. AB 1429 also requires business owners/operators to annually review and certify that the HMBP information in the CERS is complete, accurate, and, if applicable, in compliance with EPCRA reporting requirements.

This Zoom meeting will provide Owners/Operators, Consultants, and CUPA Regulators with step-by-step instructions on how to:

- Determine if you are eligible for certification
- Determine if you are subject to EPCRA reporting requirements
- Steps to completing the certification
- Regulator options concerning certification
