**Re: Request for Extension of Conflict-of-Interest Code Exemption
Independent Emissions Market Advisory Committee
FPPC File No. E-18-05**

Dear Fair Political Practices Commission:

We write to request an extension of the Independent Emissions Market Advisory Committee (IEMAC) exemption from adoption of a conflict-of-interest code required pursuant to Section 87300 of the Political Reform Act of 1974 (Gov. Code, §§ 81000, *et seq.*). The Fair Political Practices Commission (FPPC) last granted the Council an extension on May 17, 2023, and this extension request is based on the same grounds that supported the original exemption and extension requests.

The circumstances that served as the basis for the FPPC's original grant of exemption have not changed. Accordingly, pursuant to California Code of Regulations, title 2, section 18751, subdivision (g), the California Environmental Protection Agency submits this extension request.

Thank you for your consideration of this request. Please do not hesitate to contact our office if you require additional information.

Sincerely,

Linda Lye
Deputy Secretary for Law Enforcement and General Counsel
California Environmental Protection Agency
