Subject: request of reconsideration to be identified as disadvantage area (tract 21733 / one block away)

EXTERNAL:

Hi ,

I am getting ready to retire, and have very low income now headed to living on SS

I'd like a reconsideration of my home **to be considered disadvantaged** so I may have resources available

Current map suggests data is from FIVE years ago, and since many of my neighbors have retired on limited income

Currently my home location is **ONE BLOCK away** of what is being currently considered Disadvantaged

Address 7639 Sale Ave. Canoga Park CA 91304
Tract #21733

Thank you for your kind consideration ,

Ellen Cooper
