California Environmental Protection Agency  
Trade Secret Disclosure Form for Chemical Inventory Submittals  
California Code of Regulations, Title 27, Section 15188(e)

*This Trade Secret Disclosure Form must be completed, signed and uploaded in the California Environmental Reporting System (CERS) for each chemical or mixture claimed to be trade secret at the time of submitting the Hazardous Material Business Plan CERS submittal.*

A. Chemical or Common Name of the chemical or mixture believed to be trade secret:

**Regarding the Above Named Chemical or Mixture:**

B. Is the chemical or mixture considered part of any formula, plan, pattern, process, tool, mechanism, compound, procedure, production data, or compilation of information believed to be trade secret?

Yes

OR

No

C. Is any reported information about the chemical or mixture part of a patent?

Yes

OR

No

If YES, explain why the chemical or mixture is still believed to be trade secret.

D. Is the chemical or mixture known only by certain individuals with a commercial concern who are using it to fabricate, produce, or compound an article of trade?

Yes

OR

No

E. Does the chemical or mixture derive independent economic value, commercial value, or a business advantage, actual or potential, in the process it is used?

Yes

OR

No

If NO, explain why the chemical or mixture is still believed to be trade secret.
