

**CUPA Notification to CalEPA for Removal of Federal Facilities  
from the Business Plan and California Fire Code Program Oversight.**

*The federal facilities listed below have not waived their sovereign immunity concerning the state's regulatory authority under the state's Business Plan and California Fire Code program. These facilities will not be subject of oversight for the Business Plan. The CUPA will continue to regulate these facilities under the Hazardous Waste, Underground Storage Tank, California Accidental Release Prevention and Aboveground Petroleum Storage Act programs.*
